Let's Get started

»»» How to get started?

Action Required for Corporate Accounts:

To get started, we need your cooperation in appointing a “**CorpCard Hub Corporate Administrator**” who will manage all individual cards within your organization.

This admin must be an existing RBL Bank commercial cardholder from your company.

Please share the below details of the employee you wish to designate as your CorpCard Hub Corporate Administrator, by sending an email to your dedicated RM or at corporatecard.support@rbl.bank.in

Details Required:

Corporate Relationship Type: “T&E” or “Purchase”

Name:

Official Email ID:

Official Mobile Number:

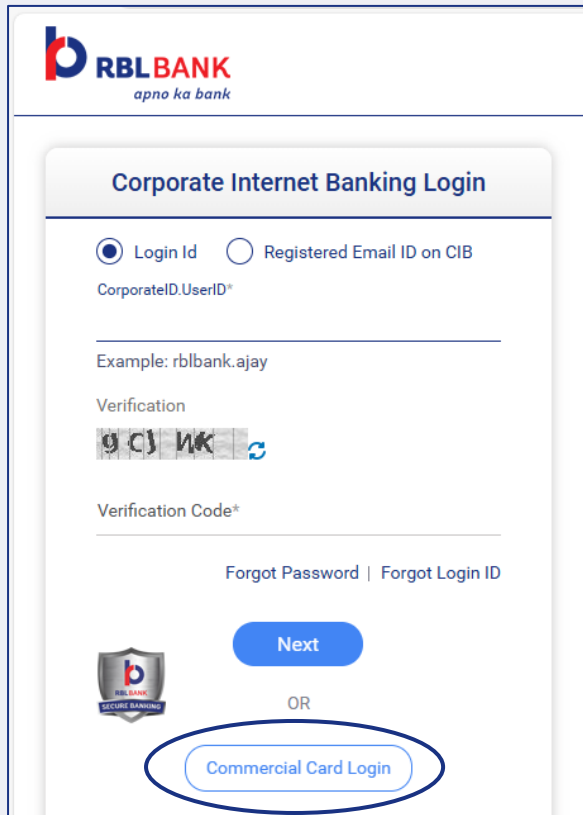

In case of multiple corporate relationships, appoint a separate individual for each relationship.

Once we receive the details, we will create the administrator login and enable access to your corporate dashboard.

How to Login? (Corporate Administrator)

1. Go to [RBL Bank Corporate Banking Login Page](#)

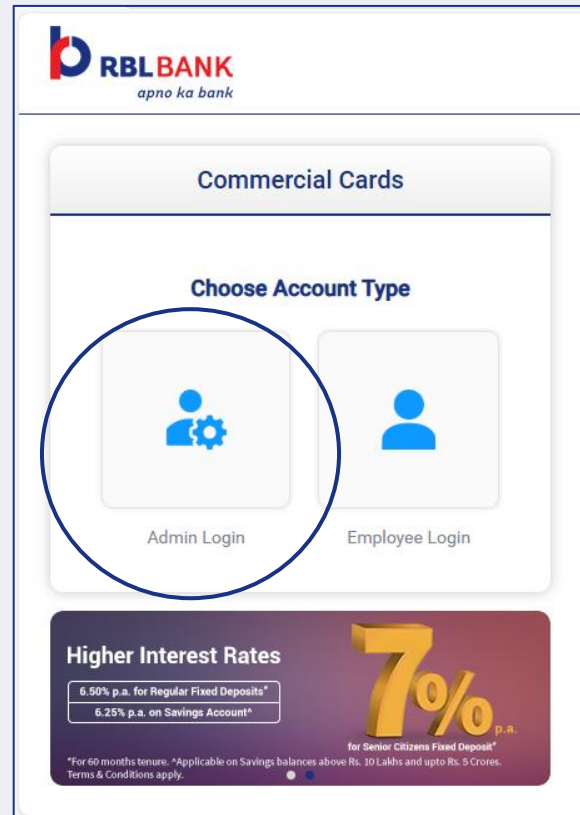

2. Click on Commercial Card Login

The screenshot shows the RBL Bank Corporate Internet Banking Login page. At the top, there is the RBL Bank logo and the text 'Corporate Internet Banking Login'. Below this, there are two radio buttons: 'Login Id' (selected) and 'Registered Email ID on CIB'. A text input field for 'CorporateID.UserID*' is shown with the example 'rblbank.ajay'. Below the input field is a verification code '9 CJ WK' and a 'Verification Code*' input field. At the bottom, there are links for 'Forgot Password' and 'Forgot Login ID', a 'Next' button, and a 'Commercial Card Login' button which is circled in blue.

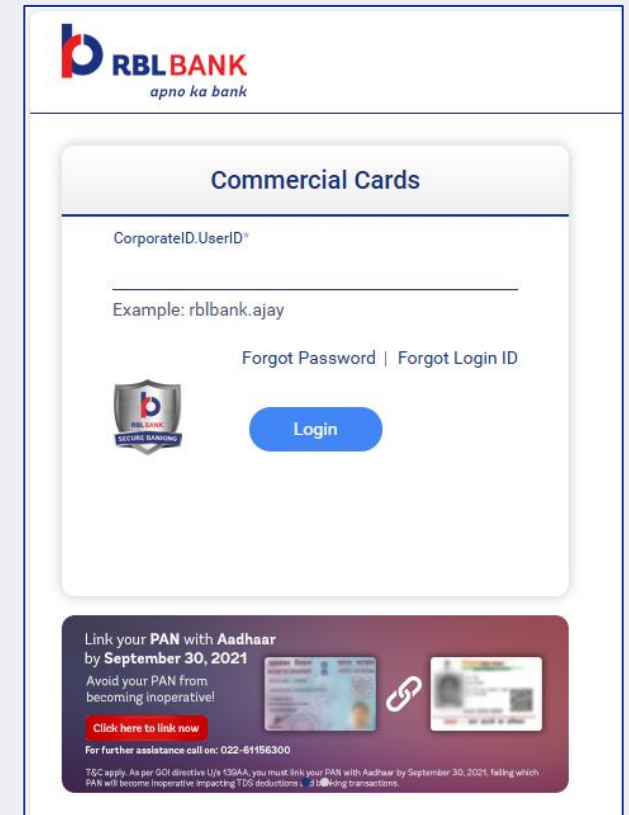

3. Choose "Admin Login"

The 'Employee Login' option is circled in blue. At the bottom, there is a promotional banner for 'Higher Interest Rates' featuring a large '7%' and details for Regular Fixed Deposits (6.50% p.a.) and Savings Accounts (6.25% p.a.).

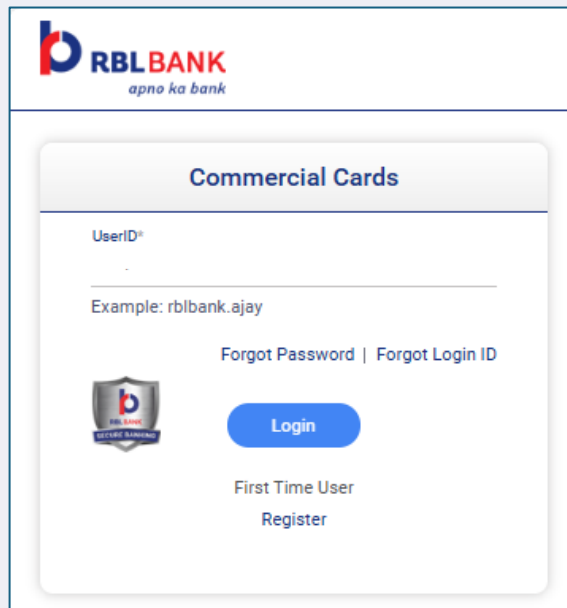

4. Login using your UserID

The screenshot shows the RBL Bank Commercial Cards login page. At the top, there is the RBL BANK logo and the tagline 'apno ka bank'. Below the logo, the page title is 'Commercial Cards'. Underneath, there is a section titled 'Commercial Cards' with a 'UserID*' input field. Below the input field, there is an example 'rblbank.ajay'. There are links for 'Forgot Password' and 'Forgot Login ID'. A 'Login' button is prominently displayed. Below the 'Login' button, there are links for 'First Time User' and 'Register'. At the bottom, there is a promotional banner for 'International Money Transfer is now Digital' with details about 24x7 service, secure remittance, and no paperwork or branch visits.

First Time Registration Steps (Employee/Cardholder)

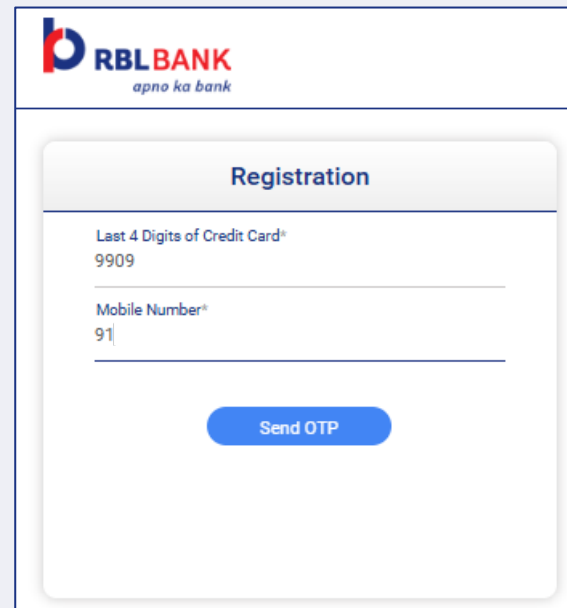

1. Click on “Register”

The screenshot shows the RBL BANK Commercial Cards login/register page. At the top is the RBL BANK logo and tagline 'apno ka bank'. Below it is a header 'Commercial Cards'. The main content area has a 'UserID*' field with an example 'rblbank.ajay'. There are links for 'Forgot Password | Forgot Login ID'. A 'Login' button is present, and below it, a 'First Time User Register' link is highlighted.

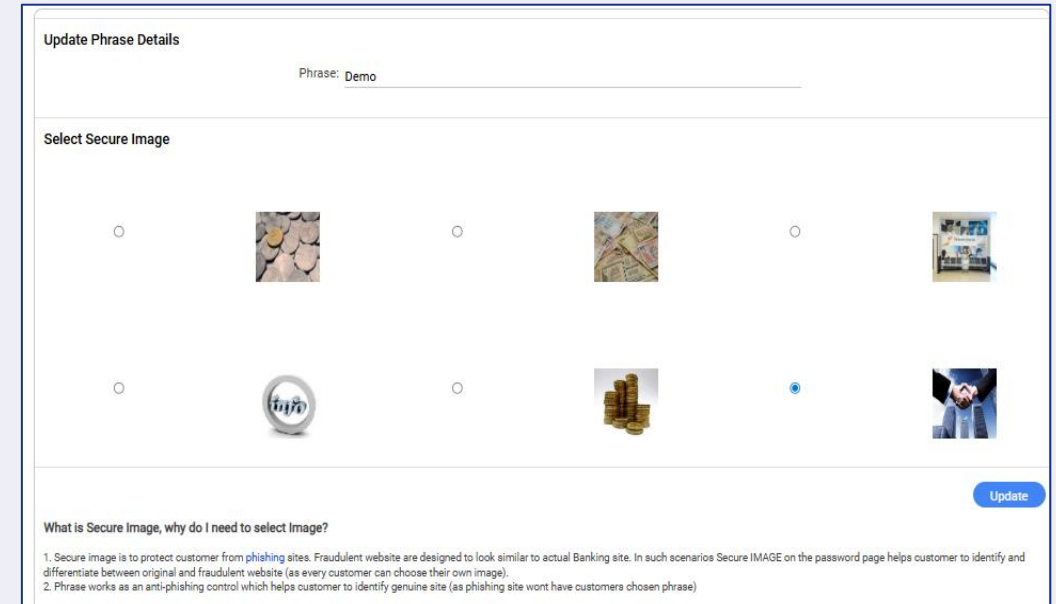

2. Enter “Last 4 digits” of your card. Add “91” before entering your mobile number.

The screenshot shows the RBL BANK Registration form. At the top is the RBL BANK logo and tagline 'apno ka bank'. Below it is a header 'Registration'. The form has two input fields: 'Last 4 Digits of Credit Card*' with the value '9909' and 'Mobile Number*' with the value '91'. A 'Send OTP' button is at the bottom.

3. Verify using OTP. Enter “Phrase Details”, as per your choice, select “Secure Image” and Update.

The screenshot shows the RBL BANK 'Update Phrase Details' screen. At the top is the RBL BANK logo and tagline 'apno ka bank'. Below it is a header 'Update Phrase Details'. There is a 'Phrase: Demo' field. Below that is a 'Select Secure Image' section with a grid of image options. The first image in the second row is selected. An 'Update' button is at the bottom right. At the bottom, there is a section titled 'What is Secure Image, why do I need to select Image?' with two explanatory points.

What is Secure Image, why do I need to select Image?

1. Secure image is to protect customer from phishing sites. Fraudulent website are designed to look similar to actual Banking site. In such scenarios Secure IMAGE on the password page helps customer to identify and differentiate between original and fraudulent website (as every customer can choose their own image).
2. Phrase works as an anti-phishing control which helps customer to identify genuine site (as phishing site wont have customers chosen phrase)

First Time Registration Steps (Contd.) (Employee/Cardholder)

4. Create a “UserID” and password as per your choice.
